

## In the bleak mid-winter

**F** **Dm**  
 1. In the bleak mid-winter  
**Gm** **C7**  
 Frosty wind made moan  
**F** **Dm**  
 Earth stood hard as iron  
**Gm / C7 / F**  
 Water like a stone  
**Bb**  
 Snow had fallen,  
**Dm**  
 snow on snow  
**F** **C7**  
 Snow on snow  
**F** **Dm**  
 In the bleak mid-winter  
**Gm / C7 / F**  
 Long.....ago

**F** **Dm**  
 2. Angels and archangels  
**Gm** **C7**  
 May have gathered there  
**F** **Dm**  
 Cherubim and Seraphim  
**Gm / C7 / F**  
 Thronged the air  
**Bb** **Dm**  
 But his Mother only  
**F** **C7**  
 In her maiden bliss  
**F** **Dm**  
 Worshipped the beloved  
**Gm / C7 / F**  
 With.....a kiss

**F** **Dm**  
 3. What can I give him  
**Gm** **C7**  
 Poor as I am?

**F** **Dm**  
 If I were a shepherd  
**Gm / C7 / F**  
 I would bring a lamb  
**Bb** **Dm**  
 If I were a wise man  
**F** **C7**  
 I would do my part  
**F** **Dm**  
 Yet what I can I give him  
**Gm / C7 / F**  
 Give ..... my heart
