In the chilly hours and minutes
Of uncertainty, I want to be
In the warm hold of your loving mind / G /
To feel you all around me
And to take your hand along the sand
Ah, but I may as well try and catch the wind / / /
When sundown pales the sky
I want to hide a while behind your smile
And everywhere I'd look, your eyes I'd find. / G /
For me to love you now
Would be the sweetest thing, 'twould make me sing
Ah, but I may as well try and catch the wind. / / /
Deedee, dee dee deedee
Dee dee deedee, dee dee dee
Dee de deeee
When rain has hung the leaves with tears
I want you near to kill my fears
To help me to leave all my blues behind C / G /
For standing in your heart
Is where I want to be and long to be
Ah, but I may as well try and catch the wind C / / /
