

# The Fly (Shhh Song) - Foster & Allen

Intro: G G C A D D D G 2 3 4

Oh there was a little fly and he flew into a store  
And he (shsh!) upon the ceiling and he (shsh!) upon the floor  
And he (shsh!) upon the bacon and he (shsh!) upon the ham  
And he (shsh!) upon the head of the little grocer man, (2, 3, 4)

Well the little grocer man got a little spray gun  
And he swore that he would kill the fly before the day was done.  
But before he could count from one to ten,  
The little fly went (Shsh!) on his baldy head again.

Chorus

Well the little grocer man and his little grocer wife  
Swore that they would kill the fly if it meant their life.  
They got themselves a hand grenade and lay upon the floor  
And blew themselves to blazes as the fly flew out the door.

Chorus

Well they both went up to heaven and angels they were made  
Saint Peter said "Good people, you will be repaid".  
The grocer got his angel wings and flew up to the sky  
And he dived down like a bomber  
And he (shsh!) upon the fly.
