

# SNOWBIRD

Intro sing twice

**C Em7 Dm G7**

**C Em7 Dm**  
 Beneath its snowy mantle cold and clean  
**G7 C**  
 The unborn grass lies waiting for its coat to turn to green  
**C Em7 Dm**  
 The snowbird sings a song he always sings  
**G7 C**  
 And speaks to me of flowers that will bloom again in Spring

**C Em7 Dm**  
 When I was young my heart was young then too  
**G7 C**  
 Anything that it would tell me, that's the thing that I would do  
**C Em7 Dm**  
 But now I feel such emptiness within  
**G7 C**  
 For the thing that I want most in life's the thing I can't win

**C Em7 Dm**  
 CHORUS: Spread your tiny wings and fly away  
**G7 C**  
 And take the snow back with you Where it came from on that day  
**C Em7 Dm**  
 The one I love forever is untrue  
**G7 C**  
 And if I could you know that I would fly away with you

**C Em7 Dm**  
 The breeze along the river seems to say  
**G7 C**  
 That he'll only break my heart again should I decide to stay  
**C Em7 Dm**  
 So little snowbird take me with you when you go  
**G7 C**  
 To that land of gentle breezes where the peaceful waters flow

**G7 F Dm C**  
 CHORUS Twice ENDING: Yeah, and if I could you know that I would fly iy iy iy away with you
