Close the door light the light We're staying home tonight
Far away from the bustle and the bright city lights
Let them all fade a way just leave us a lone
And we'll live in a world of our own

We'll build a world of our own That no one else can share
All our sorrows we'll leave far behind us there
And I know you will find there'll be peace of mind
When we live in a world of our own

Oh my love oh my love I cried for you so much
Lonely nights without sleeping While I longed for your touch
Now your lips can erase the heartache I've known
Come with me to a world of our own
