

Dance the Night Away The Mavericks

C **G7** **C** **G7**
1. Here comes my happiness again
C **G7** **C** **G7**
Right back to where it should have been
C **G7** **C** **G7**
'Cause now she's gone and I am free
C **G7** **C** **G7**
And she can't do a thing to me

CHORUS

C **G7** **C** **G7**
I just wanna dance the night away
C **G7** **C** **G7**
With señoritas who can sway
C **G7** **C** **G7**
Right now tomorrow's lookin' bright
C **G7** **C** **G7**
Just like the sunny mornin' light

C **G7**
2. And if you should see her
C **G7** **C**
Please let her know that I'm well
