       There's nothin' left for me to do,

         **F [STOP]**        **G/**   **F/**   **Em/**   **G7/**

       But cry..y..y     over you.

              **C**                      **F**

**3.**    Well, I never felt more like running away,

         **C**             **F  (F#)**     **G**     **C**   **F**   **G7**

    But why should I go 'cos I  couldn't stay,  without you,

**1st time only**                **C/**   **F/**   **C/**   **C7/**   **(repeat Bridge and Verse 3)**
