

# SIDMOUTH

## Folk Festival with UkeStroud

### Sunday 4<sup>th</sup> Aug, 2019

**Welcome everyone!**

The coach will leave Stratford Park top car park at 8.30am sharp and reach the lay-by at Eastington at approx. 8.45am for the second pick-up. (Let Dave know on 01453 759448 which pick-up point you'd like.)

We plan to leave Sidmouth at 5.30pm.

We will certainly play as soon as the coach drops us off on the Esplanade - to get us immediately in the mood - and then all meet up at various places and times during the day to entertain the crowds! Norma will let us know these details when we are all together on the coach. At 4.45pm we will meet to play on the beach at the pick-up point before we leave. We can't disappoint the fans that will gather to hear us! 🎵 🎵

See street map above for:-

1. Drop-off and departure point on the Esplanade
2. Cricket Club - brilliant atmosphere, good food and session areas inside and out
3. Blackmore Gardens - trade tents where instruments, etc., will be for sale
4. Entertainment and goodies all along the Esplanade and throughout the town.

Don't forget your ukes, stands and pegs - and your cozzies if you're brave!
