LEMON TREE in D

```
        D   / A7 /  D              D /  A7 /   D
1. When I was just a lad of ten, my father said to me
        D  /     A7 /  D             D  /  A7 /  D
"Come here and take a lesson from the lovely lemon tree
     G  /     D7  /  G             G  /  D7  /   G
Don't put your faith in love, my boy, my father said to me.
    G  /    D7   /    G           G  /  D /  G  /
"I fear you'll find that love is like the lovely lemon tree."
```

Chorus:
```
A7  /  D                                      A7
Lemon tree very pretty, and the lemon flower is sweet,
        A7                         A7          D
but the fruit of the poor lemon, is impossible to eat.
        D                          D              A7
Lemon tree very pretty, and the lemon flower is sweet,
        A7                         A7          D
but the fruit of the lemon is impossible to eat
```

```
     D       A7          D            D /  A7  / D
2. One day beneath the lemon tree, my love and I did lie,
          A7        D                   D  /  A7  /  D
A girl so sweet that when she smiled, the stars rose in the sky.
    G           D7       G                  D7     G
We passed that summer lost in love, beneath the lemon tree.
    G     D7    G                       D7        G
The music of her laughter hid my father's words from me.  **Chorus:**
```

```
     D       A7       D                    A7       D
3. One day she left without a word, she took away the sun.
        A7      D                       A7       D
And in the dark she left behind, I knew what she had done.
    G       D7  G                    D7          G
She left me for another, it's a common tale but true,
         D7        G                    D7        G
A sadder man, but wiser now, I sing these words to you.  **Chorus:**
```
